

AND KEEFE WAS THE BOX.

THE NEW YORK'S YESTERDAY'S GAME AT PHILADELPHIA.

BEST HATTED FREELY AND DIVED RAGGED
Support-Boston. Brooklyn. Before 6,000 People—The Wins Against from Cleveland—Results Other Games.

It was an exasperating a of incidents, said it the New York baseballists last is not good humor to-day the card is blamed. First and foremost in the line the defeat of the New Yorks at Philadelphia and by a cast-off pitcher of the New Yanks. This will be referred to those opposed Keele's release as evidence of verdict judgment on the part of the management others will claim that Keele's victory yesterday proves nothing at all and that it be high time to ensure the management. Keefe has proven beyond doubt that he is in good form. The next annoying circumstance was the treasuring Boston admitted to Brooklyn, which gives them from Brooklyn a more solid grasp second place. It also seems to indicate it is useless for New York to get up one behind Boston, as the local team seems able to win when that point comes the face. Incidentally it may be remarked that the work of the Boston in taking two of three from the New Yorks and a like number from Brooklyn team that a team as dangerous factor in the race.

Once again Anson and men glared at the Clevelanders and the latter in a faint. As the New Yorks won two out three at Philadelphia no fault can be found with them. Now, the Eastern teams will strengthen the standards of the West, and the action becomes more exciting. There is no prospect that Chicago's lead will be checked down a trifle before the end of the week.

The results of yesterday's games were:
